**DEFENDANTS’ NOTICE OF
SCHEDULING ORDER IN IDAHO PROCEEDING**

Pursuant to this Court’s Standing Order Requiring Notice of Relevant Determinations from Related Proceedings, Defendants Micron Technology, Inc., Micron Semiconductor Products, Inc., and Micron Technology Texas LLC (collectively, “Defendants” or “Micron”) submit this notice of the scheduling order entered by the Idaho court in Micron’s state-court lawsuit against Netlist, Inc. (“Netlist”) for bad-faith assertion of the ’054 and ’918 patents against Micron. The scheduling order relates to Micron’s pending motion to stay this case pending resolution of the Idaho case (Dkt. 46).

As indicated in Micron’s reply in support of that motion, a scheduling conference for the Idaho case was set for January 28, 2025, and Micron sought a trial at the earliest practicable date in early 2026. Dkt. 49 at 5. In opposing Micron’s request for a January 2026 trial, Netlist argued to the Idaho court that it should stay the Idaho case pending the resolution of this case.

On January 23, 2025, the Idaho court issued its Order Governing Proceedings and Setting Trial (Jury Trial) and Vacating Scheduling Conference Hearing (the “Order,” attached hereto as

Ex. A). In the Order, the Idaho court rejected Netlist's stay request and set a trial date of July 20, 2026. Ex. A at 1.

Dated: January 28, 2025

Respectfully submitted,

/s/ G. Blake Thompson
